

Tyger_purr's License:

I could try to dazzle you with all sorts of legal mumbo jumbo but lets not waste each other's time.

Just do the right thing.

Personal License

This is allowed when you download the free assets:

- Make maps you make for your own game/group.
- Make maps you make to share online for free.
- Make maps you make to enter into a contest.
- Make tokens used in your personal game/group.

Patreon only license

If you **only** wish to use my assets in maps commercially on your Patreon you can go to my Patreon and become a "Patreon permissions" patron for license to use all assets as long as you remain a patron.

Commercial License

Buy a commercial license if you want to:

- Make maps to sell on web sites or physically.
- Make maps on commission.
- Make maps for games you are paid/compensated to run.
- Make maps to share with patrons of your Patreon account.

If you have any questions, if this is unclear, or if you want to use the assets in a way that is not listed, contact me.
